

# AMOCA Summer Camp 2016

## June 13th - July 1st

Two one-week camps available

Join us in the studio for our fun and educational clay camps! These camps are great for children and teens that have never had the opportunity to try their hands at clay and for teens looking for a true ceramic experience in a professional studio. Camps meet for one week, three hours a day allowing campers to build their tool box of techniques. Each camp will have a theme and will help children and teens develop not only their clay skills, but also their art theory, problem solving, and narrative skills.

Camp sizes are limited to 12. Campers will make clay objects Monday – Thursday. On Fridays the kids will underglaze all the work they have made with their favorite colorful patterns. Once the work is dry studio staff will clear glaze and fire all the artwork and pottery. Your kid's creations will be available for pick-up approximately two weeks after the camp has concluded. Camp fee includes materials, firings and small snack.

### Cost per session:

Members - \$225

Non-members - \$250

**\*\* No additional charge for lunch time supervision for students who take both morning and afternoon session in the same week.**

Family Membership to AMOCA: \$100

<i>Campers Ages 6-9</i>	
<i>Week</i>	<i>Class Title &amp; Time</i>
